Modern building of more than 44 floors, 158 metres high, more than 200 apartments and an exclusive hotel, on the last plot which will have direct views of the Poniente beach in Benidorm.

Residential complex will also have a sauna, spa, lobby, gym, yoga and pilates area, coworking spaces, gardens, sky gardens, tennis and paddle tennis court, social club, restaurant, large storage rooms and car parks with electric charging for approximately 180 cars.

Also will have an auditorium and a Beach Club with three distinct areas of grass, sand wood with direct access from the beach, where you can enjoy the sunset light and the Mediterranean lifestyle.

The design of the building will have a new landscape feature: around the building, dunes will be recreated following the Mediterranean inspiration, which will dialogue with the landscape of the Poniente beach. Surrounded by an idyllic enclave, the guests and residents will also be able to enjoy the fresh water of its 2 swimming pools (one of 1000 m2 exclusively for owners; and another outdoor pool, in the beach club, of approximately 1500 m2).

Residents will live in the natural ecosystem provided by its gardens, and the energy efficiency already demonstrated by the first project of this builder, which in 2022 received the Macael award from the King and Queen of Spain in the 'Sustainability' category for being the first high-rise residential building in Spain with Leed Gold certificate.

It's the last opportunity to get frontline apartment with magnificent sea views in Benidorm!
